*Proceedings of the Madras Government, Public Works Department,
7th February 1871.*

No. 161. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 1st February 1871, No. 4,428.—

REFERRING to paragraph 2 of G. O., Public Works Department, No. 255, dated 27th January 1871, sanctioning the transfer of a sum of Rupees 500 from the Presidency District Civil Repair allotment, to the Vizagapatam District allotment, I have the honour to report that there are no funds at all under the head Civil Repairs in the Presidency District to meet the transfer of funds sanctioned in the G. O. above referred to, as the whole of the current year's allotment has been already appropriated.

No. 162 ORDER THEREON, 7th February 1871, No. 376.

ACCOUNT, No. 10.

THE Government observe that out of an allotment of Rupees 23,180 under Repairs to Civil Buildings at the Presidency the outlay up to the end of November 1870 was Rupees 14,009 leaving Rupees 9,171 unspent on the 1st December. As the transfer of Rupees 500 from that allotment was ordered to meet an urgent and special demand for funds in the Vizagapatam District, the Government consider that the Superintending Engineer should find no difficulty in making the money available by a re-appropriation of his repair assignment under Civil Buildings, and this Colonel Wilkieson will now be requested to do.
