*Proceedings of the Madras Government, Public Works Department,
8th February 1871.*

No. 195. Read the following letter from the Secretary to the Chief Commissioner of Mysore, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated Bangalore, 31st January 1871, No. 622:—

I HAVE the honour to forward, by desire of the Chief Commissioner, copy of letter No. 41-A. B, of the 23rd instant; from the Government of India, and solicit the favour of being furnished with a copy of any reply that may have been sent to that Government with reference to their communication relative to the transfer of steam road roller in question.

From the Deputy Secretary to the Government of India, Public Works Department, (Account—Buildings and Roads,) to the Chief Commissioner of Mysore, dated Fort William, 23rd January 1871, No. 41-A B.

I AM directed to acknowledge the receipt of your letter, No 302, dated 12th December last, stating that the steam road roller for Bangalore, previously indented for, is not now required, and that there are no funds available to pay for it

2. With reference to the first two paragraphs of the above letter, I am to say that the indent for the roller was despatched to the Secretary of State on the 11th August 1870, being nearly three months before the receipt of your Secretary's letter of 24th October, saying that the roller was not required, when it was too late to countermand the order, as arrangements had been made to despatch the roller in November.

3 Under these circumstances, it will be necessary to provide for the cost of the roller from the Ordinary Public Works grant assigned to Mysore for the current year. Enquiry will be made whether the Government of Madras will take and pay for the roller, if so, the reduction will be removed from Mysore.

No. 196. ORDER THEREON, 8th February 1871, No. 393.

ACCOUNT, No. 18.

ORDERED accordingly that a copy of the letter to the Government of India, No. 392, dated 8th February 1871, be furnished to the Mysore Government.
