*Proceedings of the Madras Government, Public Works Department,
13th February 1871.*

No. 291. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Mangalore, 4th February 1871, No 223 —

WITH reference to G. O., No. 255, of 27th January 1871, I have the honour to inform you that the available balance under the head of "Repairs" "Civil Buildings" in Malabar is only Rupees 26, besides Rupees 150 proposed to be transferred to the emergent repairs required to the Beltangady bridge in Canara.— *Vide* my letter No. 212, of 10th January 1871. The transfer therefore of Rupees 500, ordered from this district to Vizagapatam in the G. O. under reply, cannot be carried out.

No. 292. ORDER THEREON, 13th February 1871, No. 439.

ACCOUNT, No. 25.

As it is observed that out of an allotment of Rupees 12,407 for repairs to Civil Buildings in Malabar the expenditure up to the end of December 1870 was only Rupees 3,908, His Excellency the Governor in Council considers that the Superintending Engineer of the 7th Division should find no difficulty, by a re-appropriation of funds, to provide

G. O., No 255, dated 27th January 1871. the sum of Rupees 500 which has been diverted from that source to meet an urgent demand for money in the Vizagapatam District.
