Proceedings of the Madras Government, Public Works Department,
18th February 1871.

No. 401. Read the following Circular from the Officiating Secretary to the Government of India, Public Works Department, (Buildings and Roads—Military,) to the Governments of Madras, Bombay, Bengal, the North-Western Provinces, and the Punjaub; the Chief Commissioners of Oudh, the Central Provinces, British Burmah, and Mysore and Coorg, the Resident at Hyderabad; and the Agents to the Governor-General for Central India and Rajpootana, dated Fort William, 1st February 1871, No. 4 —

THE Military Department having decided that recess shelves should be provided in Regimental schools, I am directed to request, in continuation of this Office Circular No. 28 of the 19th April 1869, that in all schools which may be built in future for a Regiment of Cavalry or Infantry, or for a head-quarters Brigade of Artillery, or Artillery Commands of two or more Batteries, a recess may be provided in the adult (and grown children's) school-room, and another in the infant school-room; each recess to be 7' × 4' (within) and from 13 to 15 inches deep, according to the thickness of wall.

2. In schools for detached Batteries a recess in one room will suffice.

3. Similar recesses should be provided in such of the existing school buildings as will admit of their introduction without unduly weakening the walls.
