Proceedings of the Madras Government, Public Works Department,
21st February 1871.

No. 449. Read the following Endorsement of the Controller of Public Works
Accounts, dated Madras, 13th February 1871, No. 2,498:—

From the Accountant-General, Public Works Department, to the Controller of
Public Works Accounts, Madras, dated Fort William, 4th February 1871,
No. 238.

With reference to paragraph 2 of this office letter No. 1,272, dated 7th Octo-
ber 1869, I have the honour to forward
No. 29-A B, dated 20th January 1871. herewith copy of a Resolution of the
Government of India directing that the expenditure of Rupees 4,05,236 incurred by
Civil Officers during 1868-69 on Famine Relief Works and temporarily debited to
Local Funds should now be adjusted as a final charge against the ordinary Imperial
grant for 1870-71. This should be done in your accounts for December 1870 by
a credit to Government, and a debit to the Budget heads of service concerned,
care being taken at the same time to enter the amount in the final estimate of
Public Works expenditure called for in my letter No. 154, dated 21st January 1871.

2. You should apply for the special orders of the Government of Madras as
to the extent to which the supply of funds against the ordinary grant should be
restricted by you in order to meet the above charge.

3. I may add that since the temporary debit to Local Funds was carried
through the books of this office only, the credit to Government and not to that of
Civil Department is rendered necessary in the books of your office, so as to avoid
an unnecessary entry in the Exchange Account which you have to render to the
Provincial Accountant-General.

SUBMITTED to Government for the favour of early orders on paragraph 2, as
the credits for March, the last month of the official year, will have to be applied for
on or about the 25th instant.

2. It is presumed that this Government have already received the Resolution
of the Government of India quoted by Colonel Innes.

(Signed) S. BROCK,
Controller of Public Works Accounts.

No. 450. ORDER THEREON, 21st February 1871, No. 519.

ACCOUNT, No. 42.

THE Controller of Public Works
Accounts will be informed that the
Government are unable to make the
necessary specific appropriations of funds from the ordinary grant for the adjust-
ment of any portion of the outlay of Rupees 4,05,236 on Famine Relief Works,
and such outlay should therefore, in accordance with the instructions of the Govern-
ment of India as communicated in their Order of the 20th January 1871,
No. 27-A B, be debited to the ordinary assignment, all expenditure which cannot
be borne by that assignment being regarded as an excess.
