*Proceedings of the Madras Government, Public Works Department,
21st February 1871.*

No. 460. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 14th February 1871, No. 2,345 —

REFERRING to the Imperial Budget for 1871-72, received with G. O., No. 389, dated 8th instant, I find that no provision is made under "Civil Buildings" for completing the new Court-house at Bellary. In the Budget received with G. O., No. 3,044, dated 15th December 1870, a sum of Rupees 11,020 (Item No. 45) is entered for 1871-72.

2. The work is in such good progress that it would be a pity to stop work upon it after the 1st of April next; moreover, the building is much required for the Court. I therefore request that Government will endeavour to provide the balance required to complete the building by re-appropriations from funds allotted to other works in the Presidency, or from other sources at the disposal of Government.

No. 461. ORDER THEREON, 21st February 1871, No. 524.
