No. 471. Read again letter from the Acting Superintending Engineer of the 5th Division, No. 212, dated 9th January, and recorded in G O, No. 321 dated 3rd February 1871.

Read also the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 8th February 1871, No. 234 —

In compliance with G. O., No 321, of the 3rd instant, I have the honour to submit herewith copy of the Executive Engineer, Bangalore's docket, No 562 (not No. 862, as erroneously entered in this Office No 212 of the 9th January 1871) of the 7th September 1870, reporting on the present condition of the saddle-pegs in the Cavalry stables on the Race-course, and on the necessity for the proposed expenditure on their renewal.

1 Copy of Executive Engineer's docket

Docket from the Executive Engineer, Bangalore, to the Superintending Engineer, 5th Division, dated Bangalore, 7th September 1870, No 562

His No. 107, dated 22nd August 1870 States that the saddle-pegs now in the Cavalry stabling on the Race-course were prepared by Captain Mayne, R E, and approved of by the Military authorities

2 As portions of only the iron-work attached to these pegs are driven into the walls built of brick-in-mud, they became loose in consequence of their being shaken by the men using them; hence pegs after a new pattern have been estimated for at the requisition of the Officer Commanding the Division

3 A hand-sketch showing the patterns of old pegs and of those proposed is herewith forwarded
