*Proceedings of the Madras Government, Public Works Department,
27th February 1871.*

No. 554. Read the following letter from the Acting Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th January 1871, No. 223.—

In reference to your No. 93, dated 2nd December 1870, calling for estimates for Hospital Serjeant's quarters for the pavilion already built on the late Race-course at Bangalore, and for a school-

room for adults (Infantry) at the same station, I have the honour to forward herewith a plan, estimate, and specification for two Hospital Serjeants' quarters for the two hospital pavilions in question. The plan provides for quarters of the class B. of the standard design received with G. O., No. 1,836, dated 1st July 1868.

2. As I observe from the grant of Rupees 10,000 made in the Budget of 1871-72, Item No. 13, that it has been definitively decided to construct a third hospital pavilion during the ensuing official year, I have the honour to suggest that a quarter for the Hospital Serjeant of this pavilion be built at the same time with those included, as ordered, in the accompanying estimate. The estimate will thus be increased from Rupees 5,700 to Rupees 8,550.

3. With regard to the estimate required for the school-room, I have the honour to call attention to the letter from this office under date 16th December 1870, No. 197, stating that the preparation of the plan of the building in question awaits the definite instructions of Government as to the extent of accommodation to be provided.

No. 555. ORDER THEREON, 27th February 1871, No. 573.

MILITARY WORKS, No. 21.

THE estimate of Rupees 5,700 for quarters for two Serjeants attached to the two hospital pavilions on the Race-course at Bangalore is sanctioned.

2. The subject of paragraph 2 will be considered in the Military Department.
3. Orders on the Superintending Engineer's letter quoted in paragraph 3 were communicated in G. O., No. 58, dated 14th February 1871.
