*Proceedings of the Madras Government, Public Works Department,
2nd March 1871.*

No. 25. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 25th February 1871, No. 87.—

REFERRING to G. O , No. 363, of the 6th instant, I have the honour to report that Statements Nos 1, 2, 3, 7, and 17 for the half-year ended the 30th June 1870, have not yet been received from either of the Agents of the Railway Companies, while Statements 4 and 18 have been sent in incomplete.

2 The absence of these statements is due to the necessary particulars for the preparation of the accounts, as surmised by the Government of India, not having been received from the Boards of Directors.

3. I have already requested the Agent of the Madras Railway to address his Board, but it appears desirable, as suggested by the Government of India, that the subject should be brought to the notice of the Secretary of State.

No. 26. ORDER THEREON, 2nd March 1871, No. 607.

RAILWAY, No. 6.

ORDERED that this letter be forwarded to the Government of India with reference to their letter of the 14th January 1871, No. 82-R, and that the Secretary of State be requested to move the Railway Board of Directors to furnish their Agent in this country promptly with the information required for the preparation of the statements referred to
