*Proceedings of the Madras Government, Public Works Department,
2nd March 1871.*

No. 42. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Camp at Ockur, 23rd February 1871, No. 1,006 —

I HAVE the honour to inform you that in December last Lieutenant Livesay was not very well, and as he wished to consult me on certain matters, I granted him six days' casual leave to proceed to Tanjore. The Controller informs me that it is not in my power to grant casual leave to Gazetted Officers, calls my attention to G. O., No. 61, of 10th January 1871, and informs me that, in the absence of orders of Government to the contrary, he will be obliged to retrench six days' salary from Lieutenant Livesay's abstract for February.

2. I was under the impression that Superintending Engineers had authority to grant casual leave to officers within their own divisions, and that the prohibition related to officers proceeding to Madras on casual leave, and not having been favoured with a copy of G. O., No. 2,818, of 23rd November 1870, I am not aware of any order to the contrary. Under the circumstances, I beg that six days' casual leave in December may be granted to Lieutenant Livesay retrospectively.

No. 43. ORDER THEREON, 2nd March 1871, No. 616.

ESTABLISHMENT, No. 3.

THE grant of casual leave to Gazetted Officers is opposed to rule, but under the circumstances brought to notice in this letter the Controller of Public Works Accounts is authorized to relieve Lieutenant Livesay from the retrenchment to which he has become liable by availing himself of such leave.
