GOVERNMENT OF INDIA

*Proceedings of the Madras Government, Public Works Department,
4th March 1871.*

No. 88. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 24th February 1871, No. 324-R. —

I AM directed to observe that it has been noticed that the approximate traffic returns of some railways are published in the local newspapers much earlier than the audited returns are, or, indeed, can possibly be, placed in the hands of the Government of India. As this information is of great importance to the Government, I am desired to inquire if arrangements can be made by which the brief abstract of approximate weekly receipts may be communicated to the Government of India at the same time as it is sent to the newspapers for publication.

No. 89. ORDER THEREON, 4th March 1871, No. 634.

RAILWAY, No. 12.

COMMUNICATED to the Consulting Engineer for Railways, who will report whether the necessary arrangements can be made for furnishing the Government of India with the abstract of approximate weekly receipts at the same time as it is sent to the newspapers. If so, he will arrange for complying with the wish of that Government.

Secretary to Government.
