*Proceedings of the Madras Government, Public Works Department,
6th March 1871.*

No. 124. Read the following letter from the Collector of South Arcot, to the Chief Secretary to Government, Fort Saint George, dated Camp at Killay, 16th February 1871, No. 14 —

IN forwarding the accompanying estimate for the repairs of the Roman Catholic European Military Burial Ground of Old Town, I have the honour to state that sometime ago the Priest, who is in charge of the ground, and is supposed to have the spiritual care of the few remaining Roman Catholic families of the late depôt, applied to me to have the needful done, and I inspected the place with him and satisfied myself that the repairs were really urgent, and accordingly I called on the Executive Engineer of the Range, and I now solicit the orders of Government for the expenditure as per his estimate.

2. I have to add that the Priest declines undertaking the repairs himself or having anything to do with the outlay of the money.

No. 125. ORDER THEREON, 6th March 1871, No. 653.
