*Proceedings of the Madras Government, Public Works Department,
7th March 1871.*

No. 163. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Ramandroog, Soondoor Jahageer, Bellary District, 22nd February 1871, No. 2,397 :—

MR W. M. Montserrat, Assistant Engineer, having been called upon to state when he will be able to pass the necessary examination in vernacular, informs that, having previous to his transfer to this division been in a Tamil District, he was reading up to pass in Tamil.

2. I may also add that Mr. Montserrat states that if he is to go up in Telugu he will be prepared to do so in June next, according to the lower standard. I therefore request to be informed whether such can be allowed, as I understand that the higher standard test should be at once taken up by Assistant Engineers and Engineer Officers generally.

No. 164. ORDER THEREON, 7th March 1871, No. 674.

ESTABLISHMENT, No. 17.

THE Superintending Engineer will observe from paragraph 2 of G O, No. 818, dated 19th March 1870, that there is only one standard of examination in the vernaculars for officers of the Public Works Department. When an officer has passed that examination he will be only required to pass a colloquial test in the language of any new district to which he may be transferred.
