Sir,
With reference to your supplemental application for credits for February 1871, to the extent of Rs. 2000, on account of the improvements to the Cannery River navigation, I have the honor to state that, as the grant for this work was made from the Torrey Budget, and therefore cannot be added to the Public Works Budget, no funds can be granted on that account by this Department. The necessary funds should be supplied and disbursed by the Officers of the Torrey Department, while the Public Works Department is only required to afford its professional assistance in the way of supervision, agreeably to orders of Govt. in the Revenue Department No. 1988, dated 9th December 1870, Communicated in the Public Works Department Proceedings No. 63 dated 14th December 1870.
