*Proceedings of the Madras Government, Public Works Department,
11th March 1871.*

No. 293. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Ramandroog, Sundoor Jahageer, Bellary, 21st February 1871, No. 2,387 :—

In retransmitting the original enclosures received with G.O., No. 130, dated 17th ultimo, I have the honour to forward the enclosed report of the Inspector of Police on the subject of the burglary which occurred in connection with the Poddatoor Range Office at Nundialumpett.

2. From a copy of the diary, dated 8th December 1870, sent to me by the Superintendent of Police, and which I also forward, it would appear that the offence was committed after midnight, and from inquiry made of the Range Head Accountant all I can ascertain is that it was the duty of one of the Range Lascars, if the Range Officer is at his head-quarters, to sleep on the premises, and when not available to get some of the nearest mile coolies who live in the village to do this duty in turn. The present Head Accountant and his predecessor assert that they occasionally visited the office to see that either lascars or mile coolies did sleep there, but from the papers before me it does not appear that the present Head Accountant did look to this on the night in question, and even if he did it could only have been between the hours of 8 and 10 o'clock, before retiring.

3. As far as I could see into the case there seems no other alternative left than to recommend that authority be given for writing off the sum of Rupees 18-0-7 which was stolen.

4. It will be observed that for want of sufficient evidence to convict the person, one Chinnabugadoo, suspected to have been concerned in, the case was discharged, and as I learnt that the evidence of a Police Constable was unsatisfactory, I called the Police Superintendent's attention to the same, and he has promised to inquire into it.

No. 294. ORDER THEREON, 11th March 1871, No. 737.

ACCOUNT, No. 32.

UNDER the circumstances brought to notice the Government authorize the writing off to Profit and Loss of the sum of Rupees 18-0-7 which is reported to have been stolen on the night of the 4th December 1870 from the cash chest of the Poddatoor Range Office.
