accompanying modified designs of Cutcherries prepared by the Consulting Architect to Government. Mr. Chisholm estimates that the cost of buildings constructed on these designs would be Rupees 13,000, 7,000, and 5,000 respectively for the three classes of Cutcherry. To admit of the submission of the complete project required by the Government of India in their Resolution of the 22nd September 1870, No. 428-A. G., the Superintending Engineers have been called upon to state in what buildings which have been already commenced the new designs can be adopted, and when this information has been received, His Excellency the Governor in Council will be in a position to report further on the subject.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,

Secretary to Government.
