Read the following

From
The Superintending Engineer
of the 4th Division (H. C. 824894 of 4th Feb. 1871.)

The Superintending
Engineer of the 4th Division
will be informed that
whether of the projects re-
ferred to in the above
letter should be proceeded
with, until the revised
estimate in the one case,
and the additional in-
formation required
for the other project,
have been laid before
Government. The re-
vision of the estimates
for

for the work connected
with the Silver Channel
should have been carried
out long since, and,
with regard to the Sestee-
mungalum Channel,
it is essential that the
instructions given in
para 5 of G.O. of the 1st
October last, No 2374,
should be attended to
before the improvements
are commenced.
