*Proceedings of the Madras Government, Public Works Department,
17th March 1871.*

No. 430. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Doogarazapatam, 28th February 1871, No. 162 :—

REFERRING to final paragraph of G. O., No. 263, of 30th ultimo, I have the honour to report that the Manager of my Office informs me that for about two years after the receipt of G. O., No. 3,396, of 28th November 1864, spare copies of all orders relating to public works in the Kistna District were regularly transmitted to the Collector; but that at that time Colonel Winscom desired that only those orders relating to public works should be sent as had no remark at foot specifying that they were "communicated to the Revenue Department" or "Board of Revenue," because the Collector received those direct.

2. He assures me that he has sent all others regularly, and since Mr. Boswell's reference has sent all whether with or without this remark except those for Military works.

3. I assure the Government that the change was not made by me as Mr. Boswell has asserted, but, as will be seen from the above, was made by my predecessor two years before I joined.

No. 431.

ORDER THEREON, 17th March 1871, No. 800.

ESTABLISHMENT, No. 36.
