I am directed to forward
for the consideration of the Government
of Madras, a letter from the Controller

Council that Captain Tulloch's Surlough

obtain an expression of the views of
the Government of Madras.

To,

The Secretary to Government

Public Works Department.

Sir,

I request the favor of your obtaining the early orders of Government whether I should continue to adjust the Furlough allowances of Captain Tulloch R.E. Madras, who is at present employed as Executive Engineer to the Bombay Municipality, and whose Furlough pay I have been settling under the following Circumstances

2.

It appears to me that by Financial Notification N^o. 1274 of the 22^d February 1870 Captain Tulloch cannot be kept out of his pay whilst departments are disputing who is to pay him. By Govt. of India's proceedings

N^o 1168 of the 18th December 1862 his
pay would appear to be for the
present a charge payable by the Madras
P. W. Department and as the represen-
tative here of the P. W. Department it
appears incumbent on this office to pay
it and to adjust it with the Madras
P. W. Department.

3. I have written to
the Controller at Madras who
refuses to accept the debit, in
which under the orders quoted above,
I think he is not warranted, and
I have also written twice to the
Accountant General P. W. Department:
once on the 20th October 1870 and an-
expedited on the 13th December, neither
of which has received any notice.
If references are to be made to
the Accountant General on doubtful
points, it certainly appears to
me that answers of some kind
should

should be given in cases which
require immediate action.

I have, &c
