Proceedings of the Madras Government, Public Works Department,
20th March 1871.

Read the following papers :—

No. 483. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 25th January 1871, No. 3,617.

I HAVE the honour to bring to the notice of Government that, on a reference made to the Controller of Public Works Accounts, Madras, on the subject of the claims for hutting allowance preferred by the Hospital Assistants named in the margin, under the ruling in G. O. in the Public Department, No. 1,288, of the 13th October 1870, that officer informs me* that, as the Collector's and Sub-Collector's establishments at Cocanada and Rajahmundry, to which these Hospital Assistants are respectively attached, are not included in the List furnished by the Inspector-General, Indian Medical Department, the charge for hutting money is inadmissible in the Accounts of the Public Works Department.

One copy of letter from Controller of Public Works Accounts, No. 468, dated 18th January 1871.
Ramanjooloo, of Collector's establishment, Cocanada.
Goorooviah, of Sub-Collector's establishment, Rajahmundry.

* *Vide* accompanying copy of Controller's letter.

2. With reference to this intimation from the Controller, I have to observe that, in the G. O. quoted in the preceding paragraph, it is clearly stated that the same course should be followed in respect of the hutting allowance sanctioned for Hospital Assistants and Native Medical Pupils, as that sanctioned for house-rent for subordinates of the Medical Department attached to Civil Hospitals and Dispensaries and those in Civil employ.

3. It is evident then, under this order of Government, that hutting allowance for Hospital Assistants shall be treated as a Public Works charge, and I have to request that the Controller may be instructed to pass such charges for the future.

From the Deputy Controller of Public Works Accounts, in charge, to the Acting Superintending Engineer, 1st Division, dated Madras, 18th January 1871, No. 468.

I HAVE the honour to return the enclosures received with your letter, No. 3,405, dated 10th January 1871, and to state, in reply to your enquiry, that the Collector's and the Sub-Collector's establishments at Cocanada and Rajahmundry, to which 2nd Class Hospital Assistants Ramanjooloo and Goorooviah are respectively attached, are not included in the List of Civil charges in which house-rent to Medical Subordinates is susceptible of audit by the Public Works Department.—*Vide* List furnished by the Inspector-General, Indian Medical Department. The present charge for hutting money is therefore inadmissible in the Accounts of the Public Works Department.
