*Proceedings of the Madras Government, Public Works Department,
22nd March 1871.*

No. 522. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 7th March 1871, No. 4,922:—

REFERRING to paragraphs 2 and 3 of Colonel Bean's letter, No. 1,098, dated 10th June 1870, recorded in G. O., Judicial Department, No. 837, dated 18th June 1870, communicated in the Public Works Department Order No. 123, dated 27th June 1870, I have the honour to report that Captain Hunter, the Executive Engineer Presidency Range, has addressed me a letter, No. 2,215, dated 2nd March 1871, asking information as to whether the sum of Rupees 790 shall be paid to the contractor for planting Korakapilly hedge to the Lunatic Asylum at Locock's Garden. I therefore request that orders of Government may be passed as to whether the amount can be paid to the contractor or not, in consideration of the opinion of Colonel Bean regarding the failure of contract, as expressed in paragraph 2 of his letter above referred to.

No. 523. ORDER THEREON, 22nd March 1871, No. 846.

CIVIL WORKS, No. 30.

As Captain Hunter reports that the failure of the Korakapilly hedge at Locock's Garden is due to the unsuitableness of the soil for the growth of that plant and not to any neglect on the part of the contractor to fulfil the terms of his engagement, and as Colonel Bean gives only a qualified opinion on the subject, the Government consider that the payment of the balance of Rupees 790 due to the contractor cannot properly be withheld.
