22nd March 1871.*

No. 549. Read the following Endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 18th March 1871, No. 112:—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 17th March 1871, No. 158.

With reference to the enclosed copy of paragraph 2 of my letter to the Secretary, dated the 11th January, No. 929, and to the enclosed copy of Mr. Byrne's reply of the 10th ultimo, I have the honour to state, for the information of His Excellency the Governor in Council, that I propose to elave Madras for Bombay, en route to England for six months' furlough, on Tuesday, the 11th of April.

2. It will be noticed from my letter to the Secretary, that I propose that Mr. Beresford Anderson shall act for me, the duties of the Chief Engineer devolving upon Mr. Going, arrangements which, I trust, His Excellency will approve.

*Extract from a letter from the Agent and Manager, to the Secretary, Madras Railway Company, London, dated 11th January 1871, No. 929.*

PARAGRAPH 2.—With reference to paragraph XIII. of your letter, No. 439, dated the 15th of October 1869, I have the honour to remind the Directors that owing to the serious indisposition of Mr. Beresford Anderson, which necessitated his return to England, I was unable to avail myself of the leave which the Board was good enough to grant me last year, and I now request that I may be allowed a furlough of six months to Europe next April. Mr. Anderson has returned to Madras with his health apparently thoroughly re-established, and I propose, if the Board sanction the leave I apply for, that he should act for me during my absence in England, the duties of Chief Engineer devolving upon Mr. Going.

*Extract from a letter from the Secretary to the Board of Directors, to the Agent and Manager, Madras Railway Company, dated 15th October 1869, No. 439.*

PARAGRAPH 13.—I am desired by the Board to express the satisfaction with which they have learned through their Chairman that you are willing to renew your engagement as Agent and Manager, which expires in November next, for a further term of three years, and they gladly avail themselves of the opportunity to secure to the Company this continuation of your valuable services. They also readily accede to your request to be allowed a furlough of six months to Europe next April, should no special reason then exist for postponing for a time the transfer of the duties of your office at Madras.
