Sir,
In the month of January 1891
Captain Bailey, unaware of the rule
that gazetted Officers are not en-
titled to casual leave, left his Range
for 4 days viz: from the 25th to the
28th inclusive, conducting at the same
time the duties of his Range - Having
perceived this from his Inspection
Report I called upon him to make
a formal application for the only
leave (Privilege) he can be granted
under the Rules - Captain Bailey
submits the enclosed application
from which it appears that, that Officer
has enjoyed no Privilege or Private
leave ever since his appointment
to the Department in which his service
extends over 22 years - And in the
event of his 4 days absence being
taken as on "Privilege leave" that
Officer

Officer would forfeit all the advantages of accumulated Privilege Leave which he has so fairly earned, and would be liable to the Sick Leave Rules if he should be suddenly ^{ill} within the next 6 months.

Under these circumstances, and considering that Captain Bailey actually held the charge of his Range during his absence, I am disposed to recommend that he maybe permitted to draw his full pay during the 4 days absence, as a special case, without being considered as on leave -

2 It appears to me that the Controller also recommends this course vide his Memo No 542 of 23rd Feby 1871 enclosed -

I have the honor to be,
