28th March 1871.*

No. 672. Read the following letter from the Officiating Collector of Madras, to the Secretary to Government, Public Works Department, dated Madras, 20th March 1871, No. 46 :—

ADVERTING to paragraph 2 of my letter of the 15th instant, No. 43, I have the honour to inform you that the sum of Rupees 5,500, which I reported would suffice for disbursements to be hereafter made during the current official year, will be enough to meet all payments remaining to be made on account of lands acquired in connection with the Madras Water Works. If therefore any advance is necessary during next official year, it will only be to the extent of that portion of Rupees 5,500 which may remain unexpended at the expiration of the current official year, owing to delay on the part of parties to come forward and receive the money due to them.
