*Proceedings of the Madras Government, Public Works Department,
28th March 1871.*

No. 674. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account-General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 15th March 1871, No. 191-A. G :—

I AM directed to acknowledge receipt of your letter, No. 455, dated 14th February 1871, and, in reply, to convey the sanction of the Governor-General in Council to the further expenditure of Rupees 1,36,244, incurred by Civil Officers on Famine Relief Works, being adjusted as a charge against the Madras ordinary grant for Public Works for 1870-71. If the grant is exceeded owing to the charge, the excess outlay must be shown up as such, and dealt with in connection with the appropriation account of the year.

2. This case is a further illustration of the evils caused by expenditure being incurred without a formal appropriation of Budget credits. The Governor-General in Council trusts that, after what has already been said in the matter, the Government of Madras will take effective measures to ensure the rules laid down on the subject of funds being provided before expenditure is incurred being rigidly and strictly adhered to in all cases even where Civil Officers are concerned, as by no other means is it possible to prevent financial embarrassment and admit of the outlay being in accordance with the grants assigned for the purpose.

ACCOUNT, No. 88.

COMMUNICATED to the Revenue Department and to the Controller of Public Works Accounts in continuation
