*Proceedings of the Madras Government, Public Works Department,
31st March 1871.*

No. 737. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 16th March 1871, No. 2,834:—
From the Acting Superintending Engineer, 7th Division, to the Coimbatore Range Officer, dated Camp at Trevandrum, 9th March 1871, No. 209.
Your No. 193, dated 6th February 1871.

The Superintending Engineer does not understand paragraph 4 of G. O., No. 31, of 7th January 1871, to mean that the Superintending Engineer when on circuit cannot draw his pay partly at his head-quarters and partly in any range or ranges in which it may be convenient for him to draw with reference to his movements on public duty. All that the Government prohibit is the confusion of private and public accounts, which was done in the Neilgherry Range by mistake.
