*Proceedings of the Madras Government, Public Works Department,
4th April 1871.*

No. 44. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 17th March 1871, No. 2,858:—

In their Orders of the 7th November 1870, No. 2,661, the Government authorized this office to pass the bill submitted by the Superintendent Engineer of the 1st Division for the passage money of the Hospital Assistant who had been deputed to Dowlaishweram during the prevalence of cholera at that station in August last.

2. Captain Hasted now submits, for the audit of this office, bills for the salary of the Hospital Assistant from August 1870 to February 1871, with copies of correspondence on the subject between the Deputy Inspector-General of the Indian Medical Department and the Brigade Major of the Northern Division.

3. As it appears from these papers that the pay of the Hospital Assistant should be drawn in this department during the time he may be employed on his present duty, I have the honour to request the *early* sanction of Government to

* Rupees 25 per mensem from August 1870. pass the charge* to the debit of the *current year's* assignment for Imperial Petty Establishments in the 1st Division, of which a sum of Rupees 800 remained available on the 1st instant.

4. I would, at the same time, suggest that the Superintendent Engineer of the 1st Division be called upon to state distinctly for what additional period the services of the Hospital Assistant will be required at Dowlaishweram. The medical subordinate now doing duty there under Major Fischer's orders was deputed to Dowlaishweram, as already stated, during the prevalence of cholera, and it will

be seen from the accompanying copy of a letter from the Deputy Inspector-General of the Indian Medical Department that "no steps can be taken for the permanent posting of a Hospital Assistant at Dowlaishweram."

No. 45. ORDER THEREON, 4th April 1871, No. 988.

ESTABLISHMENT, No. 4.

THE Controller of Public Works Accounts is authorized to pass in the current year the pay of Hospital Assistant C. Runganathum from August 1870 at the rate of Rupees 25 per mensem, the charge being met from the source indicated in paragraph 3.

2. The Superintendent Engineer of the 1st Division will report whether there is any necessity at present for retaining the services of the Hospital Assistant, and if so, for what additional period.

last.

2. Captain Foster now
submits, for the audit of
this Office, Bills for the salary
of the Hospital Assistant
from August 1870 to February
1871, with copies of correspondence
on the subject between the
Deputy Inspector General of
the Indian Medical Depart-
ment and the Brigade
Major of the Northern
Division.

3. It appears from
these papers that the pay
of the Hospital Assistant
