No. 285.

No. 1,013.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 26.

SIR,—I am directed by the Honourable the Governor in Council to request the favourable consideration of the

Government to a proposal for the expenditure of a sum of Rupees 1,200 from the Extraordinary allotment of Rupees 2,200 for the Kistna District under "Tools and Materials" for the construction of a first-class boat for the use of the Executive Engineer in charge of the Western Delta Range.

2. With reference to this application, I am to explain that there is at present no boat available, and that one is urgently required to enable the Executive Engineer to inspect and supervise the large works of irrigation which are under execution within his range from borrowed capital. Boats of the description now applied for on behalf of Captain Vibart were supplied a few years ago to the Public Works Officers serving in the Godavery District; and as Captain Vibart is willing to pay continuously the prescribed rent of Rupees 24 per mensem for the new boat in which much of his time will necessarily be passed, I am to express the hope that, in the interests of the State, His Excellency the Viceroy and Governor-General in Council will accord his sanction to the contemplated outlay.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,

Officiating Secretary to Government.
