*Proceedings of the Madras Government, Public Works Department,
19th April 1872.*

No. 305. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Buildings and Roads—Military,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 6th April 1872, No. 487 B. M. :—

In acknowledging the receipt of your letter No. 753, dated 16th ultimo, submitting the plans and estimates for additional buildings at the Gun-powder Factory at Madras, called for in this office No. 334-B. M., dated 16th March 1870, and intimating that the submission of these documents had been withheld with reference to the subsequent orders of the Government of India in which sanction was declined to the construction of any of the additional buildings in question, I am directed to express regret that when the reminder from this office, No. 334-1 B. M., dated 23rd January last, was sent, the orders conveyed in Public Works Department, No. 84 B. M., dated 23rd January 1871, were overlooked.

2. With this explanation I am to return the plans and estimates received with your letter under acknowledgment.
