ADVERTING to G. ACCOUNT, No. 32.

THE Superintending Engineer of the 1st Division appears to have misapprehended the orders quoted by him in this letter. The orders in the Revenue Department accorded sanction to the expenditure of certain sums on famine relief works (Agricultural), and towards the adjustment of the outlay thus authorized the transfers of funds detailed in G. O., No. 271, dated 27th March 1872, were sanctioned. The sum of Rupees 25,000 thus provided in the last of the orders quoted will not be available this year.
