*Proceedings of the Madras Government, Public Works Department,
22nd April 1872.*

No. 331. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 6th April 1872, No. 43 :—

I HAVE the honour to submit herewith a letter, No. 347, dated 11th March 1872, from Executive Engineer Mr. G. S.

One copy of letter.

Sage, in charge of the Northern Range, Tinnevely, suggesting that, for the reasons represented by him, his head-quarters may, if only as a temporary measure, be transferred to Tuticorin.

2. As the construction of the light-house at Tuticorin will necessitate Mr. Sage's frequent visits to Tuticorin, it appears undesirable that he should be separated during these visits from his Office.

3. In selecting, as I did, Coilputty as the head-quarters of the Northern Range, Tinnevely, I was actuated by the consideration of Coilputty being central to the range, salubrious in climate, and possessing the rare qualification in the range of having a house suitable as a residence for a Range Officer.

4. But as there is no work there requiring Mr. Sage's special supervision, whereas there is a great deal at Tuticorin and in the neighbourhood that does call for it, I have ventured, in anticipation of the approval of Government, to accede to Mr. Sage's request, and I have authorized him therefore to move his head-quarters to Tuticorin at once.

5. In G. O., 9th March 1872, No. 653, the Government have sanctioned the disbursement of Rupees 15 per mensem as Office rent to Mr. Sage at Coilputty, and I shall feel obliged by their granting the necessary authority to the Controller to pass the same amount for the rent of an Office at Tuticorin.

No. 332. ORDER THEREON, 22nd April 1872, No. 1,038.

ESTABLISHMENT, No. 26.

SANCTIONED.
