*Proceedings of the Madras Government, Public Works Department,
3rd May 1872.*

No. 47. Read the following endorsement of the Officiating Chief Secretary to Government, dated Fort St. George, 15th April 1872 :—

From J. B. PENNINGTON, Esq., to the Officiating Chief Secretary to Government, Financial Department, dated Madras, 9th April 1872.

I HAVE the honour to forward, for sanction, an estimate for gravelling and draining the compound of the Presidency College, prepared in accordance with demi-official instructions.

2. The gravelling has been done at a cost of Rupees 1,022-2-11 in anticipation of sanction, as the loose subsoil was being blown away, and there has been some delay in submitting the estimate owing to difference of opinion as to the drainage.

3. The whole amount (Rupees 2,067-2-11) is debitable to the College, and the work should properly have been carried out in the Public Works Department. I have made no provision for it in the Budget for the improvement of the Park, though I have advanced money on account of work completed, and shall be glad to receive credit for the whole so as to adjust my accounts.

4. Rupees 210 has been paid on account of filling in with sand as estimated by Mr. Robinson. The cost of tiles for the drains (*not* provided in the original estimate) is Rupees 120.

REFERRED to the Public Works Department for the provision of the necessary funds from the allotments from the Educational Building Fund already placed at the disposal of that department.

(Signed) W. HUDLESTON,
Officiating Chief Secretary.

No. 48. ORDER THEREON, 3rd May 1872, No. 1,133.

CIVIL WORKS, No. 3.

THE unspent balance of the allotment from the Educational Building Fund grant has been made available in the Provincial Budget for the Senate-house. The sum of Rupees 2,095 will be provided from that source.
