*Proceedings of the Madras Government, Public Works Department,

No. 70. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 18th April 1872, No. 170:—

I HAVE the honour to bring to the notice of Government that in the accounts of the Dindigul Range of the Madura District for the months of September and

In September ...	Rs. 316
In October ...	556

October last, the amounts as per margin, being portions of the expenditure incurred in repairing roads, were passed

conditionally by this office in consequence of the Range Officer's explanation recorded in his Statement of Objectionable Items.

2. This explanation is to the effect that Rupees 316, included in September's expenditure, is a dishonest entry made by the Overseer (Serjeant Hamilton) who was in temporary charge of the range, and that the latter amount, namely, Rupees 556, had been misappropriated by him.

3. The Superintending Engineer is of opinion that as Serjeant Hamilton has been removed from the Department G. O., No. 503, dated 22nd February 1872. Public Works and relegated to his corps for military duty, the accounts should be adjusted, there being no chance of the recovery of the over-charges.

4. I beg therefore the instructions of Government as to the admission or otherwise of the amounts which have been passed conditionally by this office.

No. 71. ORDER THEREON, 4th May 1872, No. 1,145.
