Military Department Docket No. 508 of the 11th December 1871.

Public Works Department Memorandum No. 25 E—G of the 5th January 1872, to Military Department.

Military Department Memorandum No. 1,225 of the 24th February 1872.

OBSERVATIONS.—It was arranged in December 1864 that the officers of the Local Army who were then in excess of Military requirements, might, if willing, be employed in the Public Works Department, on the understanding that their Military pay and allowances should continue to be drawn in full in the Military department, their travelling allowances as Assistant Engineers only being treated as a Public Works charge. This was a temporary arrangement to facilitate the employment of officers in excess of Military requirements, and should now cease.

2. The Government of India, in the Financial Department, has recently ruled that no portion of the pay of any officer employed in the Public Works Department shall be shown in the Military estimates, but that the whole should be charged to the Public Works Department.

3. The Circular of 1864 should now be considered as cancelled, and any officer who may at present be employed in the department, in accordance with the provisions of that Circular, should be directed to return to Military duty.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces, and the Punjab; the Chief Commissioners of the Central Provinces, Oudh, British Burmah, and Mysore and Coorg; the Resident at Hyderabad; the Agents, Governor-General for Central India and Rajpootana, and the Superintendent of Fort Blair.

ORDER.—Ordered that these observations be communicated to the Local Governments and Administrations noted in the margin.

Also to the Military Department, with reference to its No. 1,223, dated 24th February 1872.
