CIVIL WORKS, No. 6.

Sir,—I am directed to acknowledge the receipt of Major Chrystie's letter of the 19th April 1872, No. 700, requesting the payment of a moiety of the cost of re-constructing the Post Office at Mysore from the grant for minor works sanctioned by the Government of India for Madras in their orders on the Schedule of Public Works required by the Postal Department during 1872-73. In reply I am to observe that the grant in question is intended for postal buildings to be constructed in this Presidency, and if any portion of the money is to be diverted as a grant-in-aid to works in Mysore, it can only be with the sanction of the Government of India as in the case of the new Post Office at Bangalore, the estimate for which was sanctioned by that Government in their letter dated 5th November 1868, No. 689-C. In this view the Madras Government intimated in November last that they were not prepared to comply with an application made by the Executive Engineer, Bangalore Division, for the disbursement of a moiety of the cost of improvements carried out to the Bangalore Post Office by the Mysore Public Works Department.

I have the honour to be,

Sir,

Your most obedient servant,

the Postal Department during 1872/3. In reply in reply to his letter I said he observed that the grant in question is ~~intended~~ by the Government to be intended for Postal buildings to be constructed in this Presidency, and if any portion of the money is to be diverted as a grant in aid to works in Bangalore, it can only be with the sanction of the Govt of India as in the case of the new Post Office at Bangalore, the estimate for which was sanctioned by that Government in their letter dated 5 November

I would answer by letter as we usually do. as well as the Chief Justice's letter of his signature. I would it is intended by this letter was ~~intended~~ by the Government to be intended for Postal buildings to be constructed in this Presidency, and if any portion of the money is to be diverted as a grant in aid to works in Bangalore, it can only be with the sanction of the Govt of India as in the case of the new Post Office at Bangalore, the estimate for which was sanctioned by that Government in their letter dated 5 November

My inspection is that the Chief Justice's signature is illegible and his Secretary.
