No. 169. Read the following letter from the Superintending Engineer, 3rd Division, to the Officiating Secretary to Government, Public Works Department, dated Bellary, 8th April 1872, No. 59 :—

With reference to G. O., No. 48, (Miscellaneous) dated 6th October 1871, requesting me to submit a special report on Serjeant Barnes' work at the close of 1871-72, I have the honour to draw your attention to the remarks in my Diary for the 10th February 1872, and to my quarterly Conduct Returns.

2. As a Military man, I beg to say that I have received no report of insubordination on Serjeant Barnes' part.

No. 170. ORDER THEREON, 8th May 1872, No. 1,190.

ESTABLISHMENT, No. 20.

The remarks in his Diary and Conduct Returns referred to in the Superintending Engineer's letter refer solely to Serjeant Barnes' qualifications as a Public Works subordinate. But the man who shows "indolence, apathy, and listlessness" in the discharge of his Civil duties, cannot possibly do credit to the position of a Warrant Officer, and will not be recommended for promotion to that rank till he shows himself to be thoroughly deserving of it in every particular.
