*Proceedings of the Madras Government, Public Works Department,
11th May 1872.*

No. 200. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 16th April 1872, No. 215:—

With reference to paragraph 2 of G. O., No. 826, dated 23rd March 1872, I have the honour to request I may be informed whether I am to understand from the wording "they are not however prepared to increase the strength of the offices of Messrs. Dorward and Ellis," that this has reference to the lascars which these officers would be entitled to had the Government sanctioned establishments for them equivalent to those hitherto sanctioned for Assistant Engineers in charge of sub-divisions.

2. I have also to request I may be informed whether the sanction accorded in G. O., No. 395, dated 9th February 1872, for a writer on Rupees 15 for Lieutenant Dorward stands good, and whether under the G. O. under reference Mr. Assistant Engineer Martin's Establishment stands at its original strength, namely, one writer and three lascars.

No. 201. ORDER THEREON, 11th May 1872, No. 1,207.

ESTABLISHMENT, No. 25.

THE Superintending Engineer will be informed that G. O., No. 826, dated 23rd March, provided for increasing the salaries of the writers attached to the offices of Messrs. West and Ellis from Rupees 15 to 25, but in no way altered the strength of the establishments sanctioned in G. O., No. 395, of 9th February 1872. In the latter a writer on Rupees 15 per mensem was sanctioned for Lieutenant Dorward, and the number of lascars of Mr. Martin's Office now doing duty under Mr. West was reduced from three to two.

2. The Government are of opinion that a careful perusal of the orders adverted to would have rendered a reference to Government on the subject unnecessary.
