*Proceedings of the Madras Government, Public Works Department,
11th May 1872.*

No. 209. From the same Officer, dated Dowlaishweram, 13th April 1872,
No. 192.

With reference to your memorandum No. 229, dated 25th March 1872, I have the honour to explain as follows the circumstances under which the items of the Conservancy Establishment detailed in my statement do not correspond with those entered in the printed copy of the Budget for 1872-73.

2. The establishment as provided in the printed Budget for 1872-73 for the Eastern and Central Delta Ranges amount to Rupees 1,976, and that for the Western Delta and Ellore Ranges amount to Rupees 1,047 and Rupees 222 respectively, thus making up the total of the four ranges to Rupees 3,245. Although the items of the establishment detailed in my statement in respect to each of the above ranges do not correspond with those in the printed Budget, owing to the transfers of establishment having been made from one range to another since the despatch of my Budget for 1872-73, yet the aggregate amount for the four ranges, it will be observed, corresponds with that shown in the printed Budget.

3. The cost of the establishment noted in the margin, which was transferred to this department in G. O., No. 2,438, dated 23rd September 1871, being the only difference on the whole, I request may be added to my statement.

No. 210. ORDER THEREON, 11th May 1872, No. 1,211.

ESTABLISHMENT, No. 26.

With the first letter recorded at the head of these Proceedings the Superintending Engineer of the 1st Division submits a statement of the Conservancy Establishment of the Godavery District, and applies for permission to entertain a Lock Establishment. In the second letter that officer explains why the statement differs from the list printed in the Budget of 1872-73.

2. In anticipation of the sanction of the Government of India, which will be applied for, the Honourable the Governor in Council authorizes the entertainment from the 1st June 1872 of the Establishment required for working the Thossipudy Lock in the Godavery Delta.

Ordered that the following letter be sent:—

MADRAS

SIR,

With reference to your communication
to me dated 18th March 1872, I have the honor
to explain, as follows, the circumstances under which
the items of the Conservancy Establishment detailed
in my statement do not correspond with those
entered in the Printed Copy of the Budget for 1872/73.

The Establishment as provided in the
Printed Budget for 1872/73 for the Eastern and
Central Delta Ranges amount to Rs. 1976, and
that for the Western Delta and Alwar Ranges
amount to Rs. 1047 and Rs. 222 respectively,
these making up the total of the 4 Ranges to
Rs. 3245. Altho' the items of the Establishment
detailed in my statement, ⁱⁿ respect to each of the
above Ranges, do not correspond with those
in the Printed Budget, owing to the transfers of
Establishments having been made from one Range
to another since the despatch of my Budget
for 1872/73, yet the aggregate amount for the
4 Ranges, it will be observed, corresponds
with that shown in the Printed Budget.

3 The Cost of the Establishment noted in
the

the margin which was transferred to the ledger
-ment in J.C. Recordation is not being the only
difference on the whole I request my liability
to my statement.

Yours truly
