No. 14. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Coimbatore, 25th March 1872, No. 287:—

I have the honour to submit and recommend for sanction a plan and estimate, amounting to Rupees 3,490, for constructing a permanent wall round the European burial-ground at Mangalore, which is at present surrounded by a mud wall, which is broken down in parts and is in a ruinous, disreputable condition. When at Mangalore, I inspected this burial-ground; it appeared to me to be used as a latrine by natives in the vicinity. The Range Officer's letter on the subject is enclosed for information.
