RESOLUTION by the Government of India, Financial Department, dated 15th January 1872, No. 262.

Read again Financial Accounts Proceedings Nos. 18—20, September 1871, regarding the financial position of the Bombay Harbour Trust and Elphinstone Estate.

Read Office Memorandum from the Military Department, No. 32, of the 1st November last, forwarding, for consideration, correspondence with the Government of Bombay regarding a claim for rent from the Imperial Government for land temporarily occupied on the Apollo Bunder Reclamation, Bombay, for a special purpose; and suggesting that some specific provision similar to that settled in the future Elphinstone Trust for land which the Government may require to resume permanently for a public purpose, be made in all new trusts of land which Government may require to occupy temporarily for a public purpose.

RESOLUTION.—The Governor-General in Council is of opinion that there is no objection to reserving the right of Government to use any part of the land made over to the trust temporarily for public purposes without payment, provided that the land is not used by or on behalf of the trust, the occupation being limited to three months. This arrangement will not include any right in respect to basins or wharves hereafter constructed out of such land.

ORDER.—Ordered that the foregoing Resolution be communicated to the Military Department for information, and that the original papers received from that department be returned, copies being kept.
