Government of Madras.

Public works DEPARTMENT.

G.O. No.	1276	Press
<i>342, 343</i>		Mis.
Dated	14.6.	1872

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
14th May 1872.*

No. 342. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Masulipatam, 29th April 1872, No. 23 :—

I HAVE the honour to forward a comparative statement, duly countersigned by the Assistant Master Attendant at Madras, showing reasons for an excess of Rupees 145 above the amount sanctioned in G. O., No. 163, of 23rd November 1871, for constructing a retaining wall round the light-house at Point Devi and two cook-rooms, and requests that the sanction of Government may be accorded to it and an allotment of funds made.

No. 343. ORDER THEREON, 14th May 1872, No. 1,276.

CIVIL WORKS, No. 14.

* G. O., No. 303, dated 13th November 1871, Marine Department.

With this letter the Superintending Engineer of the 2nd Division submits a comparative statement exhibiting an increase of Rupees 145 over the amount sanctioned* for the construction of two cook-rooms and a retaining wall in connection with the light-house at Point Devi, and explains that the excess is due to the materials having to be brought from Bezvada by canal to Masulipatam and thence by sea to the work instead of being conveyed direct by river, as was originally provided for, the river not being navigable at the time the estimate was approved.

2. Under these circumstances the Government sanction the excess, and allot the requisite funds from the reserve under Civil Buildings in the Provincial Budget,

(True Extract.)

Colonel, R.E.,

Officiating Secretary to Government.
