*Proceedings of the Madras Government, Public Works Department,
14th May 1872.*

No. 391. Read the following letter from the Superintending Engineer, 2nd Division, to the Officiating Secretary to Government, Public Works Department, dated Masulipatam, 5th May 1872, No. 24:—

WITH reference to G. O., No. 693, of 12th March 1872, I have the honour to observe that the transfer of funds therein sanctioned could not be carried out owing to the late date at which the G. O. was received. As [the boiler therein referred is urgently required, I solicit the sanction of Government for a fresh allotment of Rupees 1,638 from the Reserve under Ordinary Agricultural Works, *vide* paragraph 4 of G. O., No. 935, of 9th April 1872.

No. 392. ORDER THEREON, 14th May 1872, No. 1,302.

ACCOUNT, No. 36.

THE Superintending Engineer of the 2nd Division will observe from G. O., No. 1,082, dated 26th April 1872,

that as the Government of India decline to authorize the appropriation of funds made in the Orders of the 12th March 1872, No. 693, the Government will obtain sanction to the sum of Rupees 1,638 required for the purchase of the dredge boilers being provided from the additional assignment made to the Presidency under "Agricultural." Looking however to the delay which an application to the Supreme Government will involve, the boiler may be purchased at once and be debited to the Agricultural allotment for repairs pending the provision of a special allotment for it.
