*Proceedings of the Madras Government, Public Works Department,
14th May 1872.*

No. 395. Read the following letter from the Superintending Engineer, 8th Division, to the Officiating Secretary to Government, Public Works Department, dated Madura, 6th May 1872, No. 491 :—

I HAVE the honour to report that, in anticipation of the sanction of Government, I have ventured to nominate an unpassed candidate, one Moorogasum Moodelliar, an Acting Local Fund Overseer in the Madura District, to act as Taluq Overseer in the Shevagungah sub-division, *vice* Serjeant J. Hamilton remanded to his corps, *vide* G. O. of the 22nd February 1872, No. 503. The services of an Overseer being urgently required to superintend works in the above sub-division, and as the Principal of the Civil Engineering College, whom I have addressed on the subject, is unable to give me a passed candidate, I had no alternative but to appoint the Moodelliar in question; and I sincerely trust therefore that the Government will be pleased to sanction this arrangement.

2. I may mention that although Moorogasum Moodelliar has not passed the test prescribed for the grade of Taluq Overseer, still he has obtained a certificate from the Civil Engineering College for a 2nd class Surveyor; and I have no hesitation in stating that I consider him qualified for the situation of Taluq Overseer.

3. He understands surveying, levelling, plan drawing, estimate making, and accounts. He has a fair knowledge of English; and he has gained sufficient experience in carrying out works, as he has served as Local Fund Overseer for the past eight months. In addition to all which I believe him to be thoroughly trustworthy, and anxious to follow in the footsteps of his most respected father, Iyem Permaul, who, as you will recollect, was for many years Head Accountant and Cashier of the then Chief Engineer's Office, Fort St. George.

No. 396. ORDER THEREON, 14th May 1872, No. 1,304.

ESTABLISHMENT, No. 43.

THE appointment is confirmed as a special case in the absence of duly qualified Overseers. The Government presume that Colonel Roberts has obtained the assent of the Local Fund Board to the arrangement.
