No. 440. Read the following letter from the Officiating Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Cochin, 6th May 1872, No. 21 :—

As I find in this division it is utterly impossible to secure the services of respectable men as my establishment of peons and lascars for the small pay allowed, namely, two peons at 7 Rupees each, Rupees 14, and six lascars at 6 Rupees each, Rupees 36, I request permission of Government to reduce the number of peons and lascars from eight to seven and to re-distribute the sanctioned amount for this establishment, namely, Rupees 50, as follows: one peon at 9 Rupees, one at 8 Rupees, three lascars at 7 Rupees each, and two lascars at 6 Rupees each. I would very respectfully note that I pay from my private pocket already batta to all lascars when marching, which I will gladly continue to do if I can only get good and reliable men to serve me.
