*Proceedings of the Madras Government, Public Works Department,
31st May 1872.*

No. 498. Read the following letter from the Officiating Secretary to the Chief Commissioner of Mysore, to the Secretary to Government, Public Works Department, Fort St. George, dated Nundidroog, 11th May 1872, No. 655-2:—

REFERRING to your letter No. 710 of the 13th March 1872, enclosing certain correspondence in which the Madras Railway authorities bring to notice the inadequacy of punishments by officers of the Mysore Magistracy in certain cases of Railway trespass, I have the honour, by direction of the Chief Commissioner, to state, for the information of His Excellency the Governor in Council, that the only one of the cases therein mentioned, which occurred in this Province, was tried by the Sub-Magistrate of Maloor under Section 18 of the Railway Act, the provisions of which were applicable to the offence; but, under the aggravated circumstances of the case, the Sub-Magistrate should certainly have imposed a heavier fine than Rupees 10, and in default of payment thereof should have committed the prisoner—who is represented to be a horsekeeper in poor circumstances—to prison with hard labour for two months, agreeably to Section 34 of the said Act, whereas the man paid the fine after three days' detention.

2. I am to add that instructions have been issued to the Magistracy, impressing upon them the necessity of dealing severely, in future, with all violations of the Railway Act that may be brought to their notice.
