*Proceedings of the Madras Government, Public Works Department,
1st June 1872.*

No. 12. Read the following letter from the Secretary to the Chief Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, to the Secretary to the Government of Madras, Public Works Department, dated Bangalore, 15th May 1872, No. 913 :—

With reference to your No. 145/1,174 of the 7th instant, advising that it would be necessary to apply for the sanction of the Government of India for a grant-in-aid to meet the payment of a moiety of the cost of re-constructing the Post Office at Mysore, I have the honour, by desire of the Chief Commissioner, to observe that the outlay for which payment was requested in my communication of the 19th ultimo was incurred on an Imperial building belonging to the Madras Government, and one with which the Local Administration has no concern or interest.

2. It was, I am to explain, simply as an act of courtesy that the work was executed through the agency of this department, as may at once be recognized by the fact that prior to the execution of any work under the original estimate (amounting to Rupees 1,007,) the Government of Madras, on the motion of the late Postmaster General in 1870, directed the whole of that sum to be placed at the Chief Engineer's disposal by the Military Executive Engineer at Bangalore. The accompanying copies of the Postmaster General's No. 7,822/1,045 of the 22nd March, and No. 325 of the 15th ultimo, indicate clearly the source from which the funds were to be supplied.

3. Under the foregoing explanation the Chief Commissioner ventures to express a hope that early instructions may be given to the Military Executive Engineer of Bangalore to remit to this office the sum of Rupees 1,087, being balance due for work executed through the agency of this department to the Post Office at Mysore.

No.13. ORDER THEREON, 1st June 1872, No. 1,371.

CIVIL WORKS, No. 2.

As it appears that the estimate for the re-construction of the Mysore Post Office was included in the Postal Schedule of Public Works under "Minor Works," for which the Government of India have allotted a sum of Rupees 10,000, His Excellency the Governor in Council resolves to provide from that source the sum of Rupees 1,087 applied for.

Ordered that the following letter be sent :—
