*Proceedings of the Madras Government, Public Works Department,
1st June 1872.*

No. 15. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Officiating Secretary to Government, Public Works Department, dated Dowlaishweram, 14th May 1872, No. 571 :—

I HAVE the honour to bring to the notice of Government that some ten years ago about 65,000 bamboos were purchased* for the use of the anicut at a cost of Rupees 1,302, and kept in store; lately I have had these counted as well as a quantity of other plant left about this place in former years, and Lieutenant Dorward reports there are now only 36,000 on hand, and these are so old and rotten as to be of no further use; I beg therefore to request permission may be granted me to dispose of these in any way I can, and write off the balance to "profit and loss."

2. I beg further to add these bamboos were originally bought to make gabions with, in the event of any breach occurring at the anicut. They are now so dry and rotten that they are quite unsuited for this purpose, and would be of no use to us in case of accidents happening to the works, and as I wish to clear the books of such items I have submitted this application.

No. 16. ORDER THEREON, 1st June 1872, No. 1,373.

ACCOUNT, No. 1.

SANCTIONED.

(True Extract.)

Colonel, R.E.,
Officiating Secretary to Government.
