*Proceedings of the Madras Government, Public Works Department,
7th June 1872.*

No. 92. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th May 1872, No. 738:—

REFERRING to G. O. entered in the margin, I have the honour to explain that the payment of Rupees 806, being balance due to contractors when work was stopped on the Subsidiary Jail, Taluq Cutcherry, and Police Station at Chittoor, was covered by the grant of Rupees 811 made in G. O., No. 1,803, 7th July 1871.

2. Revised plans and estimates were submitted with No. 398 of 25th April 1872, from this office.

No. 93. ORDER THEREON, 7th June 1872, No. 1,413.

CIVIL WORKS, No. 10.

COMMUNICATED to the Controller of Public Works Accounts.

2. It is observed that sanction to the estimate for constructing a Sub-jail and improving the Taluq Cutcherry and Police station at Chittoor was accorded in the orders communicated with G. O., No. 147, dated 17th May 1872, and that the expenditure which appeared against the work in the Controller's Statement of Objectionable Items for January 1872 was to meet demands left unsettled when operations on the buildings were suspended by order of Government.

3. There is doubtless sufficient cause shown for incurring the outlay in question in anticipation of formal sanction to the estimate; but as funds were allotted in the early part of July 1871, and the payment is not brought to account till January 1872, there seems to have been much unnecessary delay in adjusting the Contractor's claim for work alleged to have been done in 1869-70.
