· GROUND'S OF PROPOSITION.

THE appropriation appearing as Item 1 has been made for the removal of masses of prickly-pear which cover the ground and impede ventilation around the lines of the Native Regiments stationed at Bellary, and the sanitary condition of which is considered a source of danger to the men of the regiments.

With reference to Item 2, attention is invited to docket No. 1,294, dated 14th May 1872.

3. The transfers against Item 3 have been made as a grant-in-aid of Local Funds for the construction of the road from Rajahmundry to Rahitapooram in the Godavery District, in consideration of the security and advantage to the public revenues which will be derived from the embanking and reclaiming of cultivated and culturable land now exposed to flooding and injury every year.

4. The transfer proposed as Item 4 is for the maintenance, during the current official year, of the floating plant employed in the Godavery District, no funds being available for appropriation from the very limited assignment under "Tools and Plant, Ordinary."
