*Proceedings of the Madras Government, Public Works Department,
8th June 1872.*

No. 119. Read the following letter from the Officiating Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 29th May 1872, No. 39:—

I HAVE the honour to report that the works marginally noted were executed in the past official year under the authority of G. O., No. 303, of 13th November 1871, Marine Department, forwarded with Public Works Department G. O., No. 163, of 23rd idem; but the Controller of Public Works Accounts considers that, as Government made no specific allotment of funds, the expenditure incurred was irregular, and has refused to pass it. If this officer's interpretation of the G. O. in question is correct, I trust Government will pardon the irregularity and direct the amount* actually expended in 1871-72 to be passed.

Constructing two cook-rooms at Point Divi light-house for use of Lascars.	RS.	720
Constructing retaining wall, etc., round the light-house		1,770
Repairing tank for storing drinking water at Point Divi		340
Repairing bungalow at Point Divi ...		180

On Repairs	309	0	2
Total...	2,560	2	5

No. 120. ORDER THEREON, 8th June 1872, No. 1,428.

CIVIL WORKS, No. 13.

THE question of the outlay incurred during the past official year in connection with the light-house at Point Divi, to which exception is taken by the Controller of Public Works Accounts, will be considered when the Statements of Objectionable Items for March come under review.

To

Colonel G. W. Walker R.E.

Secretary to Government

Public Works Department

Sir,

I have the honor to report that the works, marginally noted, were executed in the past official year, under the authority of G.O. No 303 of 12th November 1871. Marine Department forwarded with Public Works Department G.O. No 163 of 20th idem - but the Controller of P.W. Accounts considers that as Government made no specific allotment of funds, the expenditure incurred was irregular and has refused to pass it. If

Constructing two Cook
rooms at Point Divi.
Light house for the
use of Casuarie No 720
Constructing retaining
wall & sea
around the light
house No 1770
Repairing tank
for storing drinking
water at Point
Divi No 340
Repairing Bungalows
at Point Divi - 180

this Officer's interpretation of the
Q.O., in question, is correct, & trust
Government will pardon the
irregularity and direct the
amount actually expended ^{in 1871/72} to
be paid.

* On New Works 2251-23

Summerville and
yours truly

1872

The question of the
summers in relation
to the light house at
Point Devi is a matter
of some importance
and it is suggested
that the question be
referred to the
Committee on
Public Works for
their consideration
and report.
